Saturday night marks the final performance of the 36th season of The Ivoryton Playhouse, and all of them since the inception of the Playhouse in 1930, under its original director, Mr. Milton Stiefel. Nowhere in the history of summer theatre in this country has a playhouse compiled such an enviable record of entertainment through its consistent managership. This has been possible only by the confidence shown through the years by our uniquely discerning audience. From the days in the early 1930's, when we had a resident company doing stock plays plus dancing after the show (and all for fifty cents!) to our current policy of presenting packages of outstanding stars and plays, we have compiled a record of which we and our patrons are understandably proud.

Besides our appreciative audiences, we also wish to thank our staff who handled the many phases of our operation. Soon we will be planning our 1966 season, and we hope to see you all back next year to enjoy another excellent schedule of plays. If you are not on our mailing list, fill out one of the cards in the lobby.

Until then, a happy year to you all!

Milton Stiefel
